

The Oakleaf

Rotary Club of Londonderry - December 2009
 District 1160 - Club No 76 - Incorporated 17th July 1922
www.londonderryrotary.org
President 2009/2010: Jim Foster

December is Family of Rotary Month.

We recognise the Family of Rotary in two ways. The first of these is through working with, developing and assisting the various organisations and affiliates in our Family of Rotary including Rotaract, Interact, Inner Wheel, Probus as well as keeping in touch with, and drawing on the resources of, our Rotary Alumni. Rotary Alumni are people who have availed of our various educational scholarships or vocational exchanges including Ambassadorial Scholars, Peace Scholars and Group Study Exchange. We should include Alumni in our activities and invite them to become Rotarians.

Our Family of Rotary also includes Rotarians and their family members. We should keep in touch with members, spouses and family especially at times of illness and difficulty.

EVERY ROTARIAN EVERY YEAR

Clorinda Palomina, 8, enjoys a drink from a new outdoor sink in the village of Santa Rosa de Huacaria in southeastern Peru. The Rotary Club of Vernon, California, USA, used \$2,500 in District Simplified Grant funds to provide construction materials for this sink and three others in the community so residents would have clean water.

Your contribution helps give children all over the world the gift of clean drinking water.
